Historiography is the study of the methods of historians in developing history as an academic discipline, and by extension is any body of historical work on a particular subject. The historiography of a specific topic covers how historians have studied that topic using particular sources, techniques, and theoretical approaches. Sun, 09 Dec 2018 13:06:00 GMT

Historiography - Wikipedia - The historiography of the United States refers to the studies, sources, critical methods and interpretations used by scholars to study the history of the United States. While history examines the interplay of events in the past, historiography examines the secondary sources written by historians as books and articles, evaluates the primary sources they use, and provides a critical examination ...
